

## Flexi Software to offer OFAC Compliance

Partnership with Applied Programs helps Flexi's customers to become OFAC compliant

**NAPLES, Fla./Thursday, April 1, 2010** — Flexi Software (Flexi), a provider of best-of-breed, back office accounting software solutions, announced today its strategic partnership with Applied Programs, a provider of the OFAC Database Analyzer solutions to Banking, Credit Unions, Insurance, Gaming, Auto/Boat Sales and many more.

"Compliance is very important to any business today and I am pleased to announce the strategic partnership with Applied Programs that will help our customers comply with OFAC," said Stefan R. Bothe, CEO of Flexi Software. "We will continue to look at ways to help our customers keep current with compliance requirements."

The USA Patriot Act requires all companies doing business in the US must comply with OFAC. Flexi's customers will now have an easy way to assure they are OFAC compliant. Flexi's banking, insurance and financial services customers can instantly benefit from a solution that was targeted for their industry.

### About Applied Programs

Applied Programs published its first OFAC Database Analyzer program in 2001, focusing on the requirements of financial institution that were seeking an affordable and easy to use solution. Our valued [clients](#) are in the fields of Banking, Credit Unions, Insurance, Gaming, Auto/Boat Sales and many more. We believe in tools that allow our clients to be an expert at what you do. The OFAC Database Analyzer requires no technical knowledge on your part.
